

## Level 6 Certificate in Residential Valuation

### Pricing Options from September 1<sup>st</sup> 2019

This document outlines how much the Certificate costs and how you can pay for your studies. Our Course Advisors can also speak to you about possible payment options that are tailored to you.

#### Option 1: Business to Business Package

Key features:

- Only available to businesses looking to put themselves or a nominated employee through the programme
- Low deposit and monthly payments up to 12 months
- Includes business support package of learner template contract and employer liaison

| Options  | Deposit (inc. VAT) | Monthly payment (inc. VAT) | Number of monthly payments | Total amount payable |
|----------|--------------------|----------------------------|----------------------------|----------------------|
| Option A | £500.00            | £254.16                    | 12                         | £3,550.00            |
| Option B | £500.00            | £483.33                    | 6                          | £3,400.00            |

#### Option 2: Payment in Advance

Key features:

- Pay in full in advance and benefit from the lowest overall cost
- Available to individuals and businesses
- Payment is made in full before the start of the course

| Package | Deposit (inc. VAT) | Monthly payment Gross | Number of monthly payments | Total amount payable |
|---------|--------------------|-----------------------|----------------------------|----------------------|
| PIA     | £500.00            | N/A                   | N/A                        | £3,250.00            |

## Option 3: Consumer Option

Key features:

- Breaks payment down into a deposit and regular monthly instalments
- No credit check is required
- You pay for the certificate as you go, meaning that if you decide to leave the programme prior to completion, you don't have to keep paying

| Options  | Deposit (inc. VAT) | Monthly payment (inc. VAT) | Number of monthly payments | Total amount payable |
|----------|--------------------|----------------------------|----------------------------|----------------------|
| Option A | £1,000.00          | £250.00                    | 12                         | £4,000.00            |
| Option B | £1,000.00          | £458.33                    | 6                          | £3,750.00            |
