

Kent July 2021 Intake Starts

This week we welcome our Kent July 2021 intake who started their training on the Diploma in Residential Surveying and Valuation.

You can find out more about the learners from the graphic below.

Did you know there's a high demand for surveying services across the UK and there's limited supply of new surveyors?

We wish everyone the best of luck on their journey to becoming Residential Surveyors and helping meet the demand for surveying services.
