

Postponement of Careers Fair on 19th March to 20th October

We have made the difficult decision to postpone next week's Careers Fair to Tuesday 20th October. The event on Thursday 19th March is **not** going ahead.

We made this decision after taking into account feedback from speakers, exhibitors and the changing situation regarding Coronavirus.

We will be working hard to make sure that the rearranged event on 20th October is even bigger and better. If you have already booked to attend, your booking will be transferred to the 20th October.
