## Sava Technical Bulletin Edition 40 Released

We have just released the latest edition of the Sava Technical Bulletin – and what a bumper packed edition it is!

We have some fantastic articles including:

- The great damp illusion
- Using the Rightmove SCT and good valuation practice
- Japanese knotweed and residential property
- Ground screws
- Digital data collection
- The Sava Protocol

A great opportunity to gain some CPD and keep up to date with the latest industry insights. [You can read the Technical Bulletin here](#) (you simply need to register for a free account first if you haven't done so already).
